Trusted by thousands of teachers from around the world, Azar-Hagen Grammar Series offers comprehensive coverage of English grammar. Whether you're looking for additional grammar practice for your students or needing a grammar course with easy-to-understand explanations, the Azar-Hagen Series can help. Each level can be easily adapted to the curriculum and supplement other learning materials. The fifth edition has been widely revised to keep pace with advances in theory and practice, especially from cognitive science. Now more than ever, teachers will find a wide range of presentations, activities, and tasks to meet the specific needs of their classes. Preliminary tests at the beginning of each chapter allow learners to check what they already know. The updated grammar charts reflect current usage and highlight the differences between written spoken English. A new chapter on the use of articles. A variety of readings of great interest include reviews, articles on topical topics and blogs that focus on student success. Additional practice helps learners better adopt concepts, and thematic exercises and integrated tasks offer a more contextual use of language. Step-by-step writing activities are supported by writing tips and pre-writing and editing tasks. Revised MyEnglishLab for a fully mixed program. The new edition includes a rich online practice for all areas of skill, as well as for learning materials, teacher resources and the workbook you know and love. Online home tool MyEnglishLab provides instant feedback and recovery of bonus materials online includes additional advanced practice of gerunds and infinitive Mobile app allows students to practice anytime, anywhere for more than 30 years, Azar-Hagen Series is an excellent starting point and enduring resource for students and teachers around the world. That's what teachers said when asked what makes them love the course. Clearly Well-designed diagrams and clear grammar explanations allow students to understand target grammar better and faster. Direct Azar-Hagen Grammar Series is absolutely course neutral. It can be linked to other skills to provide more grammar practice. The exercises are calibrated to an appropriate level and the content is carefully crafted to avoid vocabulary and structures that can be too difficult. Comprehensive abundance of exercises in a wide range of grammatical topics provide wide opportunities for practice. You will find 722 exercises in basic English grammar 4th Edition, 618 exercises in the basics of English grammar 4th edition and 808 exercises in understanding English "Using English Grammar 5th Edition.
